1. Attached is the available file on the would-be applicant, [REDACTED]. He appears to have been recruited for the OG's in the OSS. However, many of the OG's transferred into other branches and the file does not indicate precisely how [REDACTED] served. I have no personal knowledge of this case nor, apparently, has General Donovan who sent it to me. STATOTHR

2. You will note that I have acknowledged to General Donovan so if you are interested, I should think it would be appropriate for you to approach [REDACTED] directly.
